

## COMMUNITY NOTIFICATION

Date: April 21, 2022  
To: City of Miami Residents  
From: Michelin North America, Inc.  
Subject: Pilot Test Results and Remedy Design and Implementation Plan –  
MPE/AS System  
Former B.F. Goodrich Facility  
1000 Goodrich Blvd., Miami, OK

---

Michelin North America, Inc. hereby provides notification to the residents of the City of Miami, OK that the Oklahoma Department of Environmental Quality (ODEQ) has reviewed and approved the Pilot Test Results and Remedy Design and Implementation Plan dated January 2021, to be implemented at the Former B.F. Goodrich Facility located at 1000 Goodrich Blvd. in Miami, OK. A hardcopy and electronic copy (on a USB flash drive) of the Pilot Test Results and Remedy Design and Implementation Plan, and the ODEQ approval letter, are available at the Miami Public Library located at 200 N. Main St., Miami, OK.

The estimated implementation schedule for the construction, installation, and startup of the ODEQ-approved groundwater remedy (i.e., multi-phase extraction/air sparge (MPE/AS)) is provided below.

- |   |                   |
|---|-------------------|
| • Equipment procurement, permitting, and coordination | March-April 2022  |
| • MPE/AS equipment construction (out of state)        | March-April 2022  |
| • Well Location Survey                                | March 29, 2022    |
| • MPE/AS Well Installation                            | April 18-29, 2022 |
| • MPE/AS system delivery and installation             | May/June 2022     |
| • MPE/AS system startup                               | June/July 2022    |

This estimated schedule may change due to supply chain delays for required equipment and materials.
