---------------------------------	-----------------

**Sec. 24-65. Electric Services Fees**

Approve 11.7.2015

The owner of property or a bona fide representative of the property owner to which City utilities are to be provided, existing, or to be removed, may with a 48 hour notice, request that the City install, disconnect or relocate the Electric Service Drop that feeds to the point of delivery from the City's utility pole or padmounted device at the following rates:

1. Electric Service Drop extensions beyond the standard "Service Connections" of Sec. 6-185 (per span).	\$150.00
2. Relocation of Overhead Electric Service Drops	\$75.00
3. Temporary Electric Service Drops for Single Phase Service	\$75.00
4. Temporary Electric Service Drops for Three Phase Service	\$150.00
5. Removal of Single Phase Electric Service Drops	\$50.00
6. Removal of Three Phase Electric Service Drops	\$75.00
7. Disconnect and Reconnect of Single Phase Electric Service Drops	\$75.00
8. Disconnect and Reconnect of Three Phase Electric Service Drops	\$150.00

The above rates are based on the Electric Department Crews normal work hours. A request for these services beyond normal work hours (after-hours) will be at two (2) times the above stated rates.

Other requested Electric Department Services not listed above will be at time and materials plus 15% during normal work hours. If services are requested after-hours, the labor cost will be at two (2) times the crew's rate.
